Use this reading log to keep track of how many minutes you read all summer long! Only 15 minutes of reading per day will get you to your goal of 20 hours this summer. Shade in one pie slice for every 15 minutes of reading. One full circle equals one hour of reading.

5 HOURS

Soar through every page!

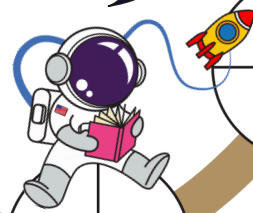

Dig into a good book!

20 HOURS

Far out! You're almost halfway.

15 HOURS

Keep reading! You're almost there.
