The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,550,000 in funding for the Clinton Road Rehabilitation Project in fiscal year 2026. The entity to receive funding for this project is the Village of Clinton to address the roadway that spans from Clinton Road from Cleveland Massillon Road (west end) running approximately 2,600 linear feet easterly to 2995 Clinton Road, 44216. The funding would be used to reconstruct this roadway, which was last improved in 1986. The project is an appropriate use of taxpayer funds because it will address public safety concerns and road deterioration through base repair and standard pavement build up.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes
Member of Congress
