The Honorable Rosa L DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

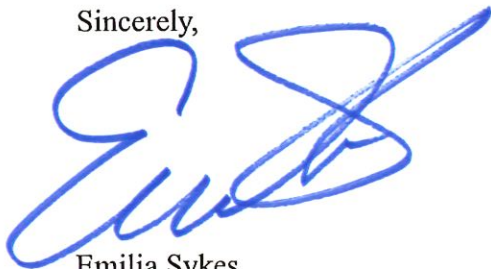

I am requesting \$12,000,000 in funding for the Clinton Sewer & Water Regionalization Program project in fiscal year 2027. The entity to receive funding for this project is the Village of Clinton located at 7871 Main St, Clinton, OH 44216. The funding would be used for the regional construction of sanitary sewer collection and drinking water distribution systems in southern Summit County.

The project is an appropriate use of taxpayer funds as it protects residents of Clinton from drinking water and groundwater contamination.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes  
Member of Congress
