The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

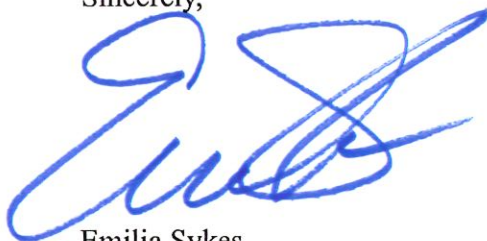

I am requesting \$2,000,000 in funding for the City of Canton Fulton/25th/Harrison Roundabout project in fiscal year 2027. The entity to receive funding for this project is the City of Canton located at 218 Cleveland Ave SW, Canton, Ohio 44702. The funding would be used to address a high accident intersection and traffic congestion.

The project is an appropriate use of taxpayer funds because the improvements will allow for safe navigation and crossing of the intersection for all users and provide accessibility to the nearby school and park for those that walk or bike, many out of necessity.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133 (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes
Member of Congress
