The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

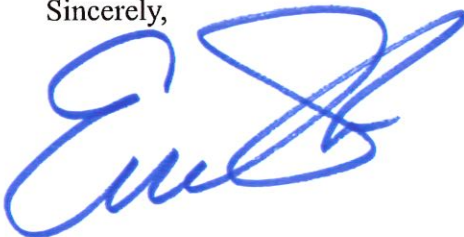

I am requesting \$4,400,000 in funding for the Reminderville Stormwater Flooding Mitigation project in fiscal year 2027. The entity to receive funding for this project is City of Reminderville located at 3382 Glenwood Boulevard, Reminderville, Ohio 44202. The funding would be used to support a comprehensive flood mitigation project in a low-lying residential neighborhood adjacent to Aurora Lake.

The project is an appropriate use of taxpayer funds because it will provide substantial public safety, economic, and resilience benefits by reducing flood depth by 46 percent.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes
Member of Congress
