The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

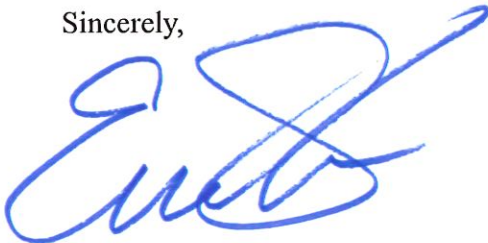

I am requesting \$3,000,000 in funding for the City of Stow Bike & Hike Spur project in fiscal year 2027. The entity to receive funding for this project is the City of Stow located at 3760 Darrow Road, Stow, Ohio 44224. The funding would be used to improve the City of Stow Bike & Hike Trail Spur's ADA accessibility, allow for multi-modal transit and provide public access to the market district adjacent to the trail.

The project is an appropriate use of taxpayer funds because it will bring accessibility to all and equal access to the market district of the City of Stow creating an economic nexus.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C.5305(a)(1), 5305(a)(2), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes
Member of Congress
