The Honorable Rosa L DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

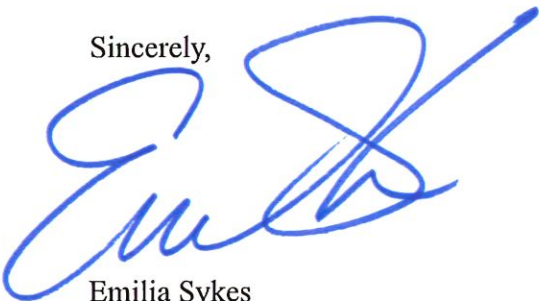

I am requesting \$2,256,557 in funding for the SUM Highland Road project in fiscal year 2027. The entity to receive funding for this project is the City of Macedonia located at 9691 Valley View Road, Macedonia, Ohio 44056. The funding would be used to address safety and congestion issues by improving geometric alignment, adding dedicated turn lanes, upgrading traffic signals, and enhancing pedestrian access and ADA compliance.

The project is an appropriate use of taxpayer funds because this project addresses safety and congestion issues in a high traffic area near a school.

The project has a federal nexus because the funding provided is for purposes described in 23 USC 133 (Surface Transportation Block Grant Program);

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Emilia Sykes
Member of Congress
